

SECURE CHOICES LLC

Recovery • Reentry • Life Skills • Community Support

Helping individuals build stability, strengthen recovery, and make secure choices for a successful future.

Secure Choices LLC provides trauma-informed, recovery-focused, and justice-responsive services for individuals, families, courts, probation and parole agencies, behavioral-health providers, reentry programs, and community organizations throughout Maryland and Washington, D.C.

PEER RECOVERY SERVICES

Certified Peer Recovery Specialist support for individuals impacted by substance use, mental-health challenges, justice involvement, and reentry barriers.

- Recovery mentoring and goal development
- Relapse-prevention education and planning
- Resource navigation and participant advocacy
- Coordination with treatment and community supports

REENTRY & JUSTICE-SUPPORT SERVICES

Enhanced with Integrated-Forensic Peer Recovery Specialist, Certified Pretrial Services Professional, and National Court Approved Treatment Provider experience/affiliation.

- Reentry planning and transition support
- Justice-involved and forensic peer mentoring
- Employment, housing, treatment, education, and social-service referrals
- Court, probation, parole, and attorney referral support
- Authorized progress updates and completion documentation
- Support for individuals transitioning from incarceration, supervision, treatment, or instability

PEER WORKFORCE SUPERVISION

Registered Peer Supervisor services for peer recovery workers and agencies seeking ethical, recovery-oriented peer workforce support.

- Individual and group peer supervision
- Peer workforce development and mentoring
- Documentation and professional-boundary guidance
- Case consultation and ethical decision-making support

SAMHSA-BASED 12-WEEK ANGER-MANAGEMENT PROGRAM

Participants learn practical tools to understand the anger cycle and build safer, accountable responses.

- Recognize anger triggers and warning signs
- Develop anger-control plans
- Improve assertive communication
- Resolve conflict without aggression
- Challenge harmful thinking patterns
- Strengthen accountability and self-control
- Use healthy coping and stress-management strategies

Available for self-referrals, courts, probation and parole, attorneys, employers, treatment providers, and community organizations.

TRAUMA-INFORMED LIFE-SKILLS INSTRUCTION

Structured life-skills education designed to help participants build confidence, responsibility, and stability.

- Emotional regulation and resilience
- Communication and interpersonal skills
- Time management and routine building
- Financial literacy
- Decision-making and problem-solving
- Goal setting and personal accountability
